SUBJECT: HOWARD T. MOOERS

On June 25, 1990 at 3:45, I talked to Mark Holtz, Director of Field Service for the Council No. 289. This was in relation to the above named individual, since he was trying to get information from the council related to what we had in his file. I told Mark that he should not give any information to this individual. If Mr. Mooers wanted copies of the statements which were given to us, he should contact the individual who gave us the statements. This relates to the individual who was molested in 1980.

I suggested that if this man's attorney applied too much pressure to the council that Mark should send the whole file to us and indicate they had nothing in their office related to this. We would then deal with the matter.

To whom it may concern,

At some time in 1980,  
[redacted] told me that he had been  
sexually molested at Boy Scout  
events by Howard Morris.  
The molestations consisted  
of showing him pornography  
and fondling of his genitals.  
I told my husband and  
[redacted] Albertson, minister of our  
church. [redacted] Albertson indicated  
to me that under law this  
would have to be reported to  
officials.

It grieves me that it has  
taken so long to have Mr. Morris  
relieved of his Boy Scout duties.  
Hopefully this type of behavior  
will not be condoned in the future.

Dear Howard:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

Clarence Hammett  
Scout Executive

FILE: Howard Mooers

On January 9, 1990 I received a call from [REDACTED] regarding the registration of Howard Mooers.

In 1978 [REDACTED] was a youth member and served as the chapter chief of the Minnetonka District. Howard Mooers, as the O/A Advisor, drove [REDACTED] home from an O/A meeting. During the car ride back to [REDACTED] home, Howard reached over, and fondled [REDACTED] penis to ejaculation. [REDACTED] indicated that Howard had attempted to engage a sexual activity with [REDACTED] at O/A campouts several times after the incident, but [REDACTED] had refused each time.

At some point after the incident of abuse, [REDACTED] discussed the matter with his parents. As a result of the report [REDACTED] parents informed their clergy of the incident who in turn notified the Viking Council (according to [REDACTED]).

[REDACTED] reason for informing us of the incident was to make sure that Howard was no longer involved in Scouting. Based on a leader inquiry it was determined that Howard Mooers was registered in the Minnetonka District and had given leadership to the most recent Junior Leader Training in the Minnetonka District.

Other Related Information:

[REDACTED] has been engaged in therapy, both individual and group, since 1987, primarily as a result of this incident.

[REDACTED] is currently seeing a church counselor. [REDACTED] asked the counselor to set up a meeting with Howard to discuss the incident. [REDACTED] indicated that Howard admitted to attempting to fondle other youths, but is no longer engaged in that type of behavior.

Ed Dressen, another Minnetonka District volunteer approached [REDACTED] shortly after the incident and asked [REDACTED] what happened. To our knowledge, Ed did not report the incident to the Viking Council.

[REDACTED] has viewed the BSA "A Time To Tell", which was at his church. As a result of viewing the tape, he notified the council.

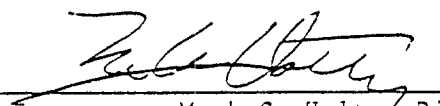

I phoned Howard Mooers on 1/11/90 and set a meeting with him on 1/12/90 at 2:00 PM at the Viking Council office to suspend his registration with the Boy Scouts of America.
